MISSION STATEMENT

The National Conservative Campaign Fund (NCCF) shall enlist the support and involvement of all Americans who cherish the principles of liberty and limited government so eloquently expressed in the Constitution of the United States. The NCCF will provide support to conservative initiatives and candidates for public office who demonstrate their commitment to those principles. NCCF-supported candidates will favor fidelity to our written Constitution and the ideals of the Declaration of Independence, a free enterprise system thriving within a free market, smaller government, lower taxes, reduced regulation of businesses and citizens, traditional cultural values, a strong national defense (the hallmark being the Reagan doctrine of "peace through strength"), and a foreign policy which secures the just and legitimate interests of the United States.

THE NATIONAL CONSERVATIVE CAMPAIGN FUND, TOM PHILLIPS, CHAIRMAN

INVITES YOU TO A RECEPTION WITH

Romney and his wife, Ann, have five sons, five daughters-in-law, and ten grandchildren.
